Dear Cathy & Tom,

The St. Anthony Chamber of Commerce Members and I would like to thank you for your beautiful and inspiring program that you presented to our group on June 20!

Cathy, when I asked if you could talk to our group, never, did I expect the program we got! Wow, Such Talent! Not only did you give a very inspiring talk, that touched each and every one of us, but then we were rewarded with your beautiful voice and music!

I had one of our prominent citizens call me to tell me, and thank me for such a wonderful program and your story touched him and encouraged him during a difficult time he is having in his life now. The City Manager also talked to me and said we should invite you to the St. Anthony Kiwanis Club to give the same presentation.

In my many years with the St. Anthony Chamber of Commerce, never have we had such great entertainment or speaker.

Thank you both and keep getting your story out there!

Sincerely,

Rose Fitzjerrells, President  
St. Anthony Chamber of Commerce
